

Nationwide Remodel Services

Powerhouse's superior reputation for delivering large scale, complex, national remodel programs begins with planning and ends with execution. With our turn-key program management & technology, we get the job done quickly and efficiently without sacrificing quality.

We understand that not all remodel projects are completed the same and any downtime is lost profit. We know that speed to market and reliability are integral to getting back to business, no matter the size of the project.

RAPID QUICK CASUAL REMODEL PROGRAM

The Challenge: A national quick casual chain was challenged with remodeling hundreds of locations across their portfolio in a very tight time frame. They needed speed to market and a reliable partner that could ensure a successful outcome.

The Solution: Powerhouse helped this client kick off this program with over 900 surveys and as built drawings. Then once construction drawings were approved, we were the GC selected to execute a large portion of interior/ exterior remodels. Our approach provided maximum performance, great economic value, and quality work for this remodel program.

Scope of Work Included:

- Interior Remodel
- Floors, Painting, Ceiling
- Millwork
- Electrical, Plumbing, HVAC
- Restroom Upgrades
- Exterior EFIS and Paint
- 2-4 Week Projects
